

Expanded Class Offerings and Location Options!

Over the last several months enormous thought and effort has gone into refining and expanding the classes Selah consistently offers. As we head into the new year those plans are taking shape and we are excited to be able to share a little more detail. Some of the “new” sessions are ones that have been trialed off and on during the Journey to Understanding class time but Selah hadn’t made them a routine option....until now! Wondering which class is the right one for you? Check the descriptions below for more info!

JOURNEY TO UNDERSTANDING

This class is designed for those just coming to Selah and needing to find clarification for what they are experiencing but can be repeated as many times as needed. Eight sessions cover the topics of power and control, types of abuse, characteristics of abusers, impact of trauma, and self-esteem. In person and on-line groups create a community of individuals who validate and encourage one another in their respective journey. This is currently offered at two locations - Wednesday evenings online and in-person in Byron Center and Friday afternoon, in-person only in Caledonia.

SELF-AWARENESS & REFLECTION

This class is intended to help you identify specific toxic patterns and offer skills when dealing with difficult relationships. Once you have a better understanding of what is going on, you may be asking, "Now what can I do differently?" This series will explore topics such as the drama triangle, your own thought patterns, codependency and trauma bonding, ways you can change patterns or interactions with others, how grief influences behavior, how trauma influences child development, what is the goal of forgiveness, and how you can reevaluate expectations and thoughts about yourself. You are a strong, beautiful, intelligent woman and we want you to find that in yourself!! !! This class can be repeated as many times as needed to become more proficient with your new awareness and skills.

GROWING STRONGER TOGETHER

This class is for those who have completed at least one cycle of sessions from the Journey to Understanding class and possibly the Self-Awareness & Reflection class as well. Group discussions revolve around selected books whose insights lend themselves to growth and healing in a setting that encourages community and camaraderie. Those attending this class are typically moving forward in their journey and are making decisions that lead to healing and personal growth.

Childcare: Please let us know ahead of time if you will need childcare, however, we know schedules change, so if you don't get a chance to let us know before class that will be fine, too.

We also recognize that some material covered in this group is sensitive and can be triggering. Please practice healthy self-care and let us know if you are feeling overwhelmed or need to speak privately.

How Can We be in Prayer For You?

In Selah online and in person classes, facilitators often extend the opportunity for participants to share a prayer request. These are anonymously passed along to a team of individuals who are committed to praying over Selah, it's leaders and most especially for Selah participants. If you have a prayer request you would like to submit, please feel free to do so by dropping an email to shirleyr@selah-empowers.org. Your email will be handled with confidentiality, care, and covered in prayer!
